CROWD RELEASE NOTICE

CSz Boise Shows, Events, and Educational Programs

By entering The Green Room, you consent to being photographed and recorded. Your presence grants CSz Boise a perpetual, royalty-free release to use your image and voice for any purpose, including publication and reproduction.

HOW TO OPT OUT

If you do not wish to have your image used, it is your responsibility to:

- Request a "No Media Please" lanyard at the Ticketing Counter or Tech Booth immediately upon entry.
- Wear the lanyard visibly at all times while inside the venue.
- Avoid active photo taking or recording areas, such as volunteering for participation during shows.
- Return the lanyard when leaving.
- Repeat this process for every visit to ensure our production team identifies you.

EXEMPTIONS & LIMITATIONS

- **STUDENTS:** You are exempt from wearing the lanyard during program performances but must wear it for all other classes and workshops.
- **CAST MEMBERS:** Opt-outs cannot be honored for anyone cast in a CSz Boise production due to heavy promotional media usage.

Your presence in The Green Room without a visible "No Media Please" lanyard, you waive all rights to claims for payment, royalties, or inspection of finished media. If you do not agree to these terms, please do not enter The Green Room.

Please see staff if you have any questions about this policy.
